

You need:

1 MakeyMakey box with cables

6 Paperbag clips

1 Paper with head

Colours

How to do it:

Step 1: Colour the body

Step 2: Insert Paperbag clips at these places: knee, hip, toes, shoulder, fingers, head

Step 3: Connect alligator clips from the backside of the paperbag clips to the MakeyMakey

Body connections:

Knee → up arrow

Hip → down arrow

Toes → right arrow

Shoulder → left arrow

Fingers → space

Head → click

Step 4: Connect MakeyMakey to the computer with the red USB cable

Step 5: Open a web browser and type in this URL: <http://tiny.cc/fvaejz>

Step 6: Connect one cable to Earth on the MakeyMakey and hold it between your fingers

Step 7: Test the different paperbag clips by touching them. What happens?
